A student transferring without the honors component will have to take 4 surveying labs at UMass to replace the honors lab at STCC.

*Due to extreme competition at both the freshmen and transfer level, with no guarantee of transferability, STCC has discontinued this option. However, Students interested in Pre-Pharmacy can complete most of the courses required in the first two years of a pharmacy program by enrolling in the Pre-Med or Biology option.
**Most Pharmacy schools require ECON-100, Economics 1; HIST-100, Survey of Early Western Civilization; and HIST-200, Survey of Modern Western Civilization, for social science/humanities electives. $* * *$ Check the curriculum of the school you plan to attend to determine what this elective should be.
