<b>Course Objective</b>	<b>Competencies</b>
<p>This course is a miniature internship at such places as:</p> <ol style="list-style-type: none"><li>1. Commercial TV stations</li><li>2. Public Television stations</li><li>3. Cable TV companies</li><li>4. Hospital Video archive sections</li><li>5. Independent production companies</li></ol>	<p>It is a practical experience within the industry that cannot be provided on our campus. The student is supervised by an employee of the media company, and given a grade rating by that person at the end of 80 hours of service. "Objectives and Competencies" are, in effect, determined by each supervisor, at each company, for each student, and depend greatly upon the immediate needs of the company at the time.</p>
