

PETITION FOR FRESH START STATUS

Please read CAREFULLY before submitting to the Admissions Office.

- Fresh Start status is intended to address the needs of students who have had serious academic difficulties.
Only students returning to the College after a separation of two or more years with a cumulative GPA of less than 2.0 at the time of separation are eligible to apply for Fresh Start.
Students must apply for Fresh Start within 12 months of their return to the College after the separation and be enrolled in a major.
Fresh Start eligibility is limited to those students planning to complete a degree or certificate at STCC.
Students who have already earned a degree or certificate at STCC are not eligible for Fresh Start.
Students can be approved for Fresh Start status only once.
If Fresh Start Status is approved, all courses (including developmental courses) with grades that are a "C-" or higher will be changed to "TS" and may or may not be transferable to other colleges.
All grades that are "D" or lower will be deleted.
Once grades have been changed through Fresh Start they can not be changed back at a later date.
The Dean of Admissions will determine eligibility and you will be notified in writing.
Being approved for the Fresh Start program does not necessarily change your previous Financial Aid standing. Please contact the STCC Financial Aid Office to check on your eligibility.
